

Dear Member

The Protection of Personal Information Act (PoPIA) came into effect on 1 July 2021.

SALT EB takes the security of your personal information very seriously. We have an obligation to apply due care in the management of your personal information and to comply with the legislation as we collect, process, store and destroy your personal information records as part of executing our business processes.

We recognize that data protection laws exist to strengthen the protection surrounding the personal information of natural and juristic persons within our jurisdiction and we understand how important it is to protect personal information and make sure that it is processed securely. SALT EB recognizes that it is the priority of PoPIA to protect individuals and their privacy. Therefore, we will endeavor to retain relevant, quality information, and keep this information secure. As SALT EB, we have a track record of going the 'extra smile' for the benefits of our clients and we will do the same in ensuring that your personal information is not compromised.

All SALT EB employees who interact with personal information receive the necessary training and support to ensure that they act consistently and remain compliant.

Complying with relevant data protection laws is a formidable task and it is for this reason that we have invested a significant amount of time and resources into our PoPIA compliance project.

To find out more information about the handling of your personal information or access thereof, contact our office on 011 544 8300 or email popia@salteb.co.za
